The Bedern Hall Foundation

Building the Future from the Past

Bedern Hall is one of York's smaller and less well-known venues but this does not diminish its importance and place in the City. Now there is a new vision for access, education and preservation and the more opportunities there are, the better, for local people and visitors alike to experience and appreciate this historic building.

Please consider supporting the Bedern Hall Foundation.

What is the Bedern Hall Foundation?

Thirty years ago Sir Peter Shepherd on behalf of the Bedern Hall Guilds of York laid the new foundation stone to restore and preserve this important building for the City. In the intervening years the Hall has provided a hall for hire and social occasions venue for the benefit of the people of York and for visitors attending events from around the world.

The Bedern Hall Foundation has been launched to secure Bedern Hall's next thirty years and beyond with a new vision for the Hall that encompasses; education; preservation and accessibility.

Chairman of The Bedern Hall Company Limited, Mark Burn said "We are delighted with the level of support received from many individuals and organisations who feel that by becoming a Bedern Hall Foundation supporter, they can ensure that this small but much admired guild hall continues to operate on its current basis. Becoming a Foundation supporter provides you with a number of benefits whilst strengthening your existing interest and enthusiasm for the Hall.

Becoming a Bedern Hall Foundation Member is a special way to contribute to the heritage of York and to ensure that this much loved Hall can be used for years to come.

Members can enjoy a range of benefits, the highlights of which are:

- An invitation for two to one annual 'thank you' reception.
- At least one complimentary days hall hire.
- Special hire rates and discounts.

Corporate Sponsorship

In addition to the three membership options listed here, you may prefer to support the Bedern Hall Foundation with corporate sponsorship tailored to your own needs.

Trust Funds and other charitable bodies may prefer this option. Please feel free to make contact to discuss your budget and mutual benefits and arrangements.
